Adverting to G.O.No.L.3553-4/Ml.172-33-10 dated 17/19-11-1934, sanctioning the re-organisation of the clerical staff of the Bangalore City Municipality, I have the honour to state that all the officials on Rs.25-1-30-1-40 have been designated as clerks as per said Government order. In the Commissioner's Office and in each of the subordinate offices, one clerk who knows typing has been entrusted with the typing work. Whenever such clerks are transferred to other offices, their substitutes who join duty in this office will not be able to attend to typing work. Whenever vacancies occur on account of the transfer of such clerks on promotion to some other office, those vacancies have to be filled up by selecting candidates from the approved list of clerks for II Class appointments. The recruits so appointed will not be able to attend to the typing work, as such typing work is suffering in the Commissioner's office and in the subordinate offices for want of suitable hands for typing work. This difficulty may be avoided, provided the designation of one of the clerks on Rs.25-1-30-1-40 in the Commissioner's Office and in each of the subordinate offices is changed to that of a typist and the vacancies of typists are filled up by selecting candidates from the approved list of candidates for the posts of typists.

In these circumstances, I request that the sanction of Government may be kindly obtained to designate one of the clerks on Rs.25-1-30-1-40 in the Commissioner's Office and in each of the subordinate offices, i.e., Health Office, Municipal Engineer's Office, Revenue Office and

and Octroi Office as Typist.
